

CLINT DANTINNE was employed part-time at WCHE 1520 AM from OCTOBER 1991 through FEBRUARY 1992

Supervisor at Hire: Mark Crouch
Supervisor at Departure: Mark Crouch
Job Title: Announcer / Board Operator

Job Description:

On-air personality for this talk radio station from broadcast studios in downtown West Chester, Pennsylvania (broadcasting to the western suburbs of the Philadelphia area since 1963).

Announces radio programs to audience. Memorizes scripts, reads or ad-libs to introduce and close shows, identify station and announce station breaks, public service information and commercials. Reads news flashes.

Air all local and network programming with commercials at designated times as scheduled on the daily program log.

Screen national news from Associated Press and local news, sports, traffic and weather bulletins.

Establish rapport with sales, promotions and programming departments.

Segue local messages (pre-recorded and/or live) between satellite network breaks.

Monitor audio levels, RF modulation and transmitter readings.

Answer telephone for business and/or listener calls.

Maintain Federal Communications Commission rules and regulations including the Emergency Broadcast System compliance as required.
